Full-Stack Web Developer seeking to integrate a background in linguistics and the understanding of empathy in human interaction to deliver a more engaging web user experience. My background in qualitative research has helped me become a flexible problem-solver and critical thinker, and strong interpersonal and communication skills make me a very effective and collaborative team player.

## TECHNICAL SKILLS

HTML, CSS, Bootstrap, Materialize, Semantic-UI, Tailwind CSS, React, Handlebars, AngularJS, Twig, NextJS, Apollo, Javascript, JQuery, TypeScript, Coffeescript, Node.Js, Express, NestJS, GraphQL, PHP, Symfony, MySQL, Sequelize, MongoDB, Mongoose, TypeORM, Doctrine ORM, Cypress, Jest, Jasmine, Peridot, PhpUnit, Github, Bitbucket, Confluence, Jira, Trello, Heroku, Mockplus, Zeplin

## EXPERIENCE

**Software Engineer** (November 2020 – Present)
*Codon Learning*
- Technologies used: React, Javascript, Typescript, Postgres, Cypress, Jest.

**Full-Stack Developer** (September 2020 – December 2021)
*VNN*
- Technologies used: React, AngularJS, Semantic-UI, Tailwind CSS, CSS, Javascript, Coffeescript, Typescript, PHP, GraphQL, Apollo, NestJS, NextJS, Symfony, TypeORM, Doctrine ORM, MySQL, Twig, PHPUnit.

**Full-Stack Developer** (April 2020 – August 2020)
*Buildlane*
- Built new pages strictly following the UI/UX design delivered through Zeplin.
- Technologies used: HTML, CSS, Javascript, Twig, PHP, and Symfony.

**Development Intern** (February 2020 – March 2020)
*VNN*
- Created new React pages and components for one of their existing employee-facing sites, incorporating Semantic UI, Apollo-React, NestJS, TypeScript, NextJS, TypeORM, GraphQL, and MySQL.
- Transitioned front-end and back-end repositories from TSLint to ESLint.

**Instructor** (March 2012 – December 2020)
*UCLA Extension*
- Developed and taught online Spanish courses, and mentored new faculty who had never taught online.
- Worked with a diverse population of students, traditional and non-traditional students, ages 16 to 65+.

**Lecturer** (June 2016 – September 2019)
*Writing Programs / Linguistics Department, UCLA*
- Taught ESL, linguistics, and writing courses for native and non-native English speakers.
- Mentored students on their research projects and coached them to speak in public settings.
- Hired, trained, and supervised a team of teaching assistants.

## EDUCATION

**UCLA Extension**
Full-Stack Web Development Bootcamp

**University of California, Los Angeles**
Ph.D. in Applied Linguistics
M.A. in Spanish Linguistics
B.A. in Linguistics and French, minor in Spanish Linguistics
